

*PVLGA Cares was off to a running start but has to make some temporary changes because of the coronavirus. Our January recipient, The Perfect Place, will receive a life-like doll that was requested by them as soon as their facility reopens. Our February recipient, Matthew's Crossing, received 98 pounds of food for their food bank. The committee enjoyed shopping for goods for backpacks that school kids take home to help feed their families. We are saddened that future recipients will have to be put on hold because of the virus but they will not be forgotten. There will be no scheduled donation dates until fall. Dogs4Vets is aware of the changes. In the meantime, there is a dire need in our area for food and toiletries. We are working with AZCEND, another food bank. So, for anyone wishing to give, envelopes are provided in the Palo Verde ladies lounge for cash donations and since there is limited food on the shelves of the grocery stores, the committee will shop as items are replenished. Please put the envelopes in the slotted drawer in the Palo Verde ladies lounge. We will update you on any changes as our current situation changes.*

*Thank you from the bottom of our hearts!*
